Specifications...

BRASS FINISHES

Subject to availability. Batch to batch variation in shade may occur within commercial tolerance.

ANTIQUE FINISH – This finish is created by hand, using chemicals to achieve the desired finish. When the chemicals are applied the results are random. It depends how the chemicals react to the brass. No two products will ever be exactly the same.

POLISHED FINISH - The surface is polished to a high mirror like finish.

SATIN FINISH - The surface is rubbed with sandpaper and wire wool to create dulled satin finish

A clear matt protective coating is applied over all finishes. Composition: Real Brass. Usage: Interior Accessories, Lighting, Bathtubs & Sinks.

Let's partner together...

All images are used for illustrative purposes only. Pictures of the items were taken in different light conditions and using various photographic equipment. All images are meant to be samples only and are not intended to provide a perfect match to the actual product color. Colors and photo size may vary based upon your screen resolution and other computer settings outside of Zenddu's control. All images and colours are not intended to form part of any contract or warranty.

Due to the fact most of our goods are hand-made, using natural materials there will be slight variations in material markings, finishing, colours and sizes. Zenddu reserves the right to change the specifications of any product due to the availability of raw materials or to improve the design. Customers will be informed before ordering if any change is made. Any order is accepted subject to you agreeing to our our terms and conditions of sale.
